Describe what you enjoyed
most on your trip.

Describe what you enjoyed
least on your trip.

If you turned up in 1894 -
what experiences do you
think you would share with
people in the past?

PLEASE TURN OVER

If people in the past turned up today what experiences do you think they would find most exciting or surprising?

If you stood still and closed your eyes what smells or sounds tell you where you are today?

What smells or sounds haven't changed since the days of your time traveller?

Any other comments about your trip?

Draw a picture/cartoon inspired by what you experienced on your trip to the pumping station.

Write a story, list, poem, rap, news report
inspired by your visit to the pumping station.
