CREATING MY CAMBRIDGE

'Creating My Cambridge' is a project to share historical sources about Cambridge's people and places, past and present. It uses histories to inspire creativity and cultures of belonging. The aim is to give voice to school pupils, singers, musicians, poets, rappers, storytellers, film-makers and composers. Historyworks is working with top poets like Michael Rosen & witty lyricists like CBBC's *Horrible Histories* song writers, organizing workshops and events to help young people get creative. Do use these resources and contribute subjects and creative pieces. All Welcome!
